

# Wellness Recalls Limited Batch of Dry Dog Food

October 30, 2012 – WellPet LLC of Tewksbury, MA [has announced](#) the withdrawal of a limited number of one of its dry kibble products due to possible moisture contamination.

This action affects Wellness Small Breed Adult Health Dry Dog Food in the 12 lbs package and bearing a “Best By” date of August 18, 2013.

No other dates, bag sizes or recipes are affected.

[According to a statement](#) made by the company on its Facebook page...

“A small batch of the product with this specific date code was found to be higher in moisture than our recipe calls for. High moisture may cause food to mold before its expiration date, but poses no health risk.”

## **What to Do?**

As far as what to do with your affected product, the company goes on to state:

“We want you and your pet to be completely satisfied, so we are asking those who may have this limited supply of food to contact us for a replacement.”
