

# Membership Application

## Preferred Landowners and Lodges

**Quail and Upland Wildlife Federation, Inc™**  
P.O. Box 947 Buffalo, MO 65622

**"It's All About Wildlife"**

Join and support a tradition of active conservationists who are dedicated to restoring the habitat and populations of the wild quail and the upland species including deer, turkey, pheasant, rabbits, dove, prairie chickens, sage grouse and more. We don't just talk about it, we "turn the dirt for wildlife©" with projects from food plots to watering sites. We are a non-profit organization, formed as a 501(c)(3) organization so your membership and contributions are tax deductible.

As a **Preferred Land Owner**, we can offer you the option of liability coverage for your lands with **Sportsman's Insurance and QUWF**, under our master policy. Leasing your lands for active hunting participation or habitat work is a strong statement about your support of access to lands that you own, a special privilege that we understand. Once becoming a Land Owner member of QUWF, you then qualify to receive a quote customized for your property and circumstances, at rates benefiting you.

This policy will also provide liability coverage for those of you who have lodges and entertain guests on your properties.

We will provide a member certificate for your office and offer a brief listing and description of your lands and or lodge, if you so choose, on our web site, [www.quwf.net](http://www.quwf.net), to let others know you have taken the extra step in being a good steward of the land as part of your membership.

***NOTE: Membership in QUWF Landowner or Guide and Outfitter liability coverage under our master policy, is not and does not in any way constitute an endorsement or recommendation of your land, facilities or services by QUWF, its affiliates, sponsors, directors, staff or volunteers.***
