

# GUN FLOATER INSURANCE

The Quail and Upland Wildlife Federation, Inc. have arranged custom gun floater insurance designed expressly for valued members through T.H.E. Insurance Company, and “A.M. Best” A- Rated Company

Check These Features:

- \* World-Wide, All-Risk Coverage
- \* No Waiting Period (you must apply at least 48 hours before traveling with your guns)
- \* Full Replacement Value (items currently being manufactured must be insured at current list price)
- \* No Deductible
- \* Below Market Rates

Your guns and equipment are covered against loss including theft or damage world-wide. Actual Replacement value coverage is available for guns, scopes, cases, holsters, extra stocks, barrels and binoculars used with your firearm. (See Determining Gun Values below.) A full description of items to be insured including serial numbers is necessary.

## **Immediate, Primary Coverage - No Deductible, No waiting period, - Annual Policy**

Putting coverage in place is as easy as completing the application in it’s entirety and mailing it to us with your check or credit card information, or faxing it to us with a credit card authorization. Or, you can apply over the internet. The effective date of your policy is the day after postmark or the day after we receive your fax. We will also be happy to use any later date that you may specify.

This a great value featuring a low price and full coverage. The annual cost is only \$1.25 per \$100 of insured gun and accessory value. This is specific insurance - each item you want to insure must be listed. Our minimum premium is \$25 per year. Simply put, if your total value is under \$2,000 your premium will still be \$25.00.

## **Determining Gun Values**

Our program rates are based on manufacturers retail list price for guns still being manufactured and a value not to exceed the 95% condition value in the Blue Book of Gun Values, for guns no longer being made. Custom work and accessories can be insured in addition to the gun. To determine manufacturers retail list price or to see if recent bills of sale or appraisals are needed please contact us at 1-800-925-7767.

## **Claims**

To report a claim simply call our 800 number and our claims administrator will take the necessary claim information to begin the claim process. Our policy is to make repairs if possible and economically feasible. If repairs can not be made, we will provide a new replacement item if it is still being manufactured or pay you the insured value for items no longer available.

# CHECK LIST

Our goal is to issue your policy within 72 hours after receiving your completed application. Delays occur when we do not have all of the information on the gun such as make, model, sub model and serial number, etc.

**Note: Values on guns still manufactured will be amended to reflect Manufacturers Retail List Price. We will use the value you provide on guns no longer being manufactured as long as the value does not exceed the 95% condition value in the Blue Book of Gun Values. You will be invoiced for any additional premium or refunded any return premium.**

**TO AVOID DELAYS IN ISSUING YOUR POLICY PLEASE USE THE FOLLOWING CHECK LIST**

## DID YOU....

- Complete the schedule of items to be covered including Make, Model, Sub-model (if applicable), serial numbers, grade, custom work, Etc.
- Enclose your check or credit card number (INCLUDING EXPIRATION DATE)
- Give us a telephone number where we can reach you during the day if we need more information
- Sign the original application
- Give us your QUWF member number
- Answer questions 1 through 4 on the application
- List any custom work that you want insured.
- List any accessories you want insured such as slings, chokes, etc.
